Introduction.

An internal audit of Padworth Parish Council's Governance and Internal Controls was undertaken as part of the audit for 2025-26.

A review of controls and systems including sample testing has been undertaken to ensure compliance and proper management. The process has included sample testing of transactions to help identify risks and weaknesses.

The matters raised in the report are only those that came to attention during the internal audit work, this is based on the information provided and documents reviewed and does not give a guarantee that material errors, loss or fraud does not exist.

Scope of Internal Audit.

The internal controls of Padworth Parish Council have been reviewed for 2025-26.

The following areas have been covered:

- Bookkeeping.
- Payments.
- Internal Controls.
- Expected income – including proper recording.
- Petty Cash (if applicable).
- Payroll.
- Asset Controls.
- Bank Reconciliations.
- Accounting Statements.
- Trust Funds (if applicable).
- Local Government Spending Powers.
- Policies.
- Minutes.
- Any outstanding audit actions.

Findings and Actions.

Internal Audit Section	Function	Findings	Recommendations
A	Accounting Records	Excel spreadsheet is used for accounts.	Possible accounting system such as Scribe for ease especially at year end.
B	Financial Regulations	Payments were supported by invoices, approved payments shown in minutes. Expenditure was approved and VAT accounted for.	To claim VAT using Form 126. Review financial regulations online they are dated 2019.
C	Risk Assessments	Financial risk assessment not available online.	Conduct financial risk assessment.
